Korby Single Handle Lavatory Faucet

STANDARD SPECIFICATION:

- Modern contemporary design: defined by streamlined simplicity and soft rectangular look, the single handle lavatory faucet complements any style of bathroom.
- Single handle faucet: ergonomically designed single handle lever offers smooth operation with effortless temperature and flow control.
- Long-lasting leak-free performance: solid metal construction with premium ceramic cartridge ensure long-lasting leak-free performance.
- Corrosion resistant finish will not fade or tarnish over a period.
- High performance aerator for a soft and splash-free stream.
- Easy to install: flexible pre-assembled hose with standard G 1/2" connection and all mounting hardware come together in one convenient box.
- "LPU" models less pop-up drain; no lift rod
